

Committed To Custom

Harley
BRAND

Twenty
Ten

Everyday we come to work and dream up new parts, new ways to look at old parts and new places to ride. Motorcycles are not just a job, or a hobby or something to do on the weekends, but rather something ingrained in the very fiber of who we are. We grew up on two wheels and have never looked back. It's that level of full throttle passion for all things motorcycle that drives us to create the parts you see in this catalog, at your dealer and on the road. With that in mind, we offer our new for 2010 collection and the hope that you are inspired to look at your bike for more than what it is, but for what it can be and where it can take you. We are Burly Brand and we are Committed to Custom. Are you?

SLAMMER KITS

We've combined our dropped fork springs and stubby 10.5" shocks into a very price friendly package. Not enough for you? Well, forget everything you know about lowering front ends, as Burly has created a lowering spring kit that does not require the disassembly of the fork and can be installed in twenty minutes with the forks still on the bike (Dyna & Sporty)! In fact, the entire Slammer kit is set up to go from box to bike in under an hour on most models with just basic tools.

- ✘ Complete lowering kit in one box!
- ✘ DOES NOT require disassembly of fork legs!
- ✘ 10.5" shocks lower rear up to 2.5"
- ✘ Fork springs lower front end up to 2"
- ✘ Sportster, Dyna, Softtail & Touring Applications!
- ✘ MSRP \$ 299.95

- ✘ B28-1000 Slammer kit for Sportster® 1988-2003 (chrome shocks)
- ✘ B28-1001 Slammer kit for Sportster® 2004-2010 (chrome shocks)
- ✘ B28-1001B Slammer kit for Sportster® 2004-2010 (black shocks)
- ✘ B28-1002 Slammer kit for Dyna® 1991-2005 (chrome shocks)
- ✘ B28-1003 Slammer kit for Dyna® 2006-2010 (chrome shocks)
- ✘ B28-1004 Slammer kit for Touring Models 1980-2010 (chrome shocks)
- ✘ B28-1005 Slammer kit for Softtail® Models 1989-1999 (chrome shocks)
- ✘ B28-1006 Slammer kit for Softtail® Models 2000-2010 (chrome shocks)*

*Except 07 FXSTD and 05-10 FLSTN

SLAMMER SHOCKS

Made famous by the Burly Slammer Kits, the stubby Burly shocks are now available on their own! Measuring in at only 10.5" eye to eye, they live up to their name, but will not allow tire/fender contact and are preload adjustable to allow for fine tuning to your weight. Available in black or chrome for Sportster and Dyna models.

LOWERED FORK SPRINGS

✂ Burly Brand Lowered Fork Spring Kits

Easy installation. Progressively wound springs deliver a compliant ride, yet resists bottoming. Kit allows for 1" or 2" drop and tunable preload.

NOTES:

- 1 = Does not fit Springer models
 - 2 = Shortens forks 1.50". Does not fit FLST Springer models
 - 3 = Shortens FLST front ends 1" only.
 - 4 = Does not fit 02-07 FLHT/FLTR/FLHX/FLHRS models
 - 5 = Works only with Showa Forks
 - 6 = Conventional Showa Forks
 - 7 = DO NOT INSTALL ON Sport, Deluxe, Customs, Huggers or Low models
- warning: installing a lowering kit or shorter shocks will decrease initial ground clearance. the motorcycle will be lower to the ground & care should be taken to avoid bottoming, especially over bumps or in turns. to maintain proper balanced geometry, we commend lowering the front & the rear of the motorcycle equally.

LOWERING BLOCKS

✂ Burly Brand Lowering Blocks

Inexpensive and quick to install, Burly Lowering Blocks are the time tested method to drop virtually any HD without breaking the bank. A bike lift and a few wrenches are all that it takes to pull up to an inch and a half out of the rear of most year Sporties, Dynas and FLH (Baggers). We also offer several kits for the Softtail style chassis and a new design for the updated chassis on the 2009 and up Touring models.

GORILLA BAR CLAMP

✕ The perfect compliment to 1.25" bars. Works with most OEM and aftermarket risers and cleans up the transition from 1" clamped area to the 1.25" bars. Includes chrome hardware.

New for
2010

✕ B30-0000CH Gorilla Bar Clamp MSRP \$ 49.95

LITE CLUTCH

✕ Clutch action on most Big Twins leaves a bit to be desired. Engagement is heavy handed and more than a few seconds at a stop light can become downright painful. The Burly Lite Clutch increases the leverage at the clutch and reduces the effort needed to pull the handle in. Install is simple and it fits most Big Twins as well as early model Sportsters.

- ✕ Lite Clutch reduces effort required to pull clutch lever by 40%
- ✕ Lessens rider fatigue and provides smoother, easier clutch action.
- ✕ Ideal for women riders, or stop-and-go traffic.
- ✕ The Lite Clutch fits inside the primary cover on Sportster® models
- ✕ Installs inside the transmission cover on Big Twins.
- ✕ Extends the clutch operating mechanism for improved leverage.
- ✕ Can be installed in under 30 minutes on most bikes.

- ✕ B17-115 Lite Clutch kit for most Big Twin Models MSRP \$ 24.95
 FXST/FLST(all 87-99)
 Dresser FLT/FLHT/FLHS/FLHR(all 87-99)
 FXRP(87-94)
