

**Burly**  
BRAND

2011

*Committed To Custom*

2011 is a pretty special year for Burly. We as a brand turn fifteen. Not in a gawky, bad skin, crackling voice kind of way, but a celebration of a decade and a half of building, riding and living a dream. Not tied to one segment of this great market, on any given day you'll find us on a tall bar Softtail, a slammed Sporty and possibly an aped' out and in the weeds bagger. We love them all, love the wind in our face and we'll even admit we kinda like the stares from our fellow motorists. Wrenching is second nature, our nails are rarely clean and it's likely at least one knuckle is bleeding. Why? Because we are indeed, Committed to Custom. So I guess maybe every year is special. See you on the road.

*David Zemla*

Brand Manager  
**Burly Brand**

## SLAMMER KITS

We've combined our dropped fork springs and stubby 10.5" shocks into a very price friendly package. Not enough for you? Well, forget everything you know about lowering front ends, we've created a lowering spring kit that does not require the disassembly of the fork and can be installed in twenty minutes with the forks still on the bike (Dyna & Sporty)! In fact, the entire Slammer kit is set up to go from box to bike in under an hour on most models with just basic tools.

- Complete lowering kit in one box!
- DOES NOT require disassembly of fork legs!
- 10.5" shocks lower rear up to 2.5"
- Fork springs lower front end up to 2"
- Sportster, Dyna, Softail & Touring Applications!
- MSRP \$299.95

- B28-1000 Slammer kit for Sportster® 1988-2003 (chrome shocks)
- B28-1001 Slammer kit for Sportster® 2004-2011 (chrome shocks)
- B28-1001B Slammer kit for Sportster® 2004-2011 (black shocks)
- B28-1002 Slammer kit for Dyna® 1991-2005 (chrome shocks)
- B28-1003 Slammer kit for Dyna® 2006-2011 (chrome shocks)
- B28-1004 Slammer kit for Touring Models 1980-2011 (chrome shocks)
- B28-1005 Slammer kit for Softail® Models 1989-1999
- B28-1006 Slammer kit for Softail® Models 2000-2011

## SLAMMER SHOCKS

Made famous by the Burly Slammer Kits, the stubby Burly shocks are now available on their own! Measuring in at only 10.5" eye to eye, they live up to their name, but will not allow tire/fender contact and are preload adjustable to allow for fine tuning to your weight. Available in black or chrome for Sportster, Touring and Dyna models.

- B28-1200 Slammer SHOCKS for Sportster 1988-2003 (chrome)
- B28-1200B Slammer SHOCKS for Sportster 1988-2003 (black)
- B28-1201 Slammer SHOCKS for Sportster 2004-2011 (chrome)
- B28-1201B Slammer SHOCKS for Sportster 2004-2011 (black)
- B28-1202 Slammer SHOCKS for Dyna 1991-2011 (chrome)
- B28-1202B Slammer SHOCKS for Dyna 1991-2011 (black)
- B28-1203 Slammer SHOCKS for Touring Models 1989-2011 (chrome)

● MSRP \$199.95

NEW FOR  
2011

# LOWERED FORK SPRINGS

Easy installation. Progressively wound springs deliver a compliant ride, yet resists bottoming. Kit allows for 1" or 2" drop and tunable preload.

NOTES:  
 1 =Does not fit Springer models  
 2=SHORTENS FORK 1.5"  
 3= Shortens FLST front ends 1" only.  
 4=DOES NOT FIT 02-05 FLHT / FLTR  
 5=Works only with Showa Forks  
 6=Conventional Showa Forks  
 7=DO NOT INSTALL ON Sport, Deluxe, Customs, Huggers or Low models  
 warning: installing a lowering kit or shorter shocks will decrease initial ground clearance. the motorcycle will be lower to the ground & care should be taken to avoid bottoming, especially over bumps or in turns. to maintain proper balanced geometry, we commend lowering the front & the rear of the motorcycle equally.

# LOWERING BLOCKS

Inexpensive and quick to install, Burly Lowering Blocks are the time tested method to drop virtually any HD without breaking the bank. A bike lift and a few wrenches are all that it takes to pull up to an inch and a half out of the rear of most year Sporties, Dynas and FLH (Baggers). We also offer several kits for the Softail style chassis and a new design for the updated chassis on the 2009 and up Touring models.

## GORILLA BAR CLAMP

The perfect compliment to 1.25" bars. Works with most OEM and aftermarket risers and cleans up the transition from 1" clamped area to the 1.25" bars. Includes chrome hardware.

● B30-0000CH Gorilla Bar Clamp MSRP \$49.95

## LITE CLUTCH

Clutch action on most Big Twins leaves a bit to be desired. Engagement is heavy handed and more than a few seconds at a stop light can become downright painful. The Burly Lite Clutch increases the leverage at the clutch and reduces the effort needed to pull the handle in. Install is simple and it fits most Big Twins as well as early model Sportsters.

- Lite Clutch reduces effort required to pull clutch lever by up to 40%
- Lessens rider fatigue and provides smoother, easier clutch action.
- Ideal for women riders, or stop-and-go traffic.
- The Lite Clutch fits inside the primary cover on Sportster® models
- Installs inside the transmission cover on Big Twins.
- Can be installed in under 30 minutes on most bikes.
- **B17-117 Lite Clutch kit Big Twin Models** MSRP \$24.95  
FITS FXST / FLST ALL 00-11  
FLH / FLT 00-11
