

8" CABLE/LINE KIT

NEW FOR 2016! This kit is designed to fit 8" (stock sized) handlebars on your late model Sportster. Burly has engineered each package to end the guesswork, mismatched lines and floppy cables by including throttle cables, clutch cable and brake line specific to the year of your bike and the kit includes instructions to help walk you through the install. Fits most 1997-2015+ Sportster models.

Check out the Burly Brand website or contact your local dealer to get yours!
